To my customers

The **GREAT NEWS** is I found a bigger hotel in Central Wisconsin for three parties beginning with Halloween.

Halloween Hotel Takeover Nov. 4-6, 2016.
Winter Hotel Takeover Jan. 6-8, 2017.
St. Patrick's Hotel Takeover March 17-19, 2017.

The Dungeon will be twice as big. We will now have a ballroom with wood floor for dancing that holds 300 people. Frank & Penny will have their own room for Sensations.

We have never used this Hotel before and are keeping the location private in order to not risk losing out. It is important that you respect our need to do this. The old saying "Loose Lips Sinks Ships" applies here. I feel real comfortable about the deal because I sat down with the Owner & General Manager and told them about our group. We put together a 1 year contract. I wanted 4 weekends but had to settle for 3.

For my customers, it will save Couples about an hour if driving from Minneapolis, Appleton, Green Bay, or Oshkosh but will add about 1 and a half more from Milwaukee or Rockford, IL. This Hotel can handle 200 couples. NO MORE COLD DRAFTS when customers check in. More important, the entire Hotel is SEXUAL FREEDOM except the Lobby where you need to be fully dressed.

I don't know about you, but I can't wait to be there.

I think everybody will like this location, less than 90 miles from Camp NCN, less than 1.5 hr from Fox Valley.
