

March/ April Newsletter

Camp NCN

March 1, 2018

Hi Everyone!

I wasn't going to do a News Letter until April but thought it was necessary to get this info out ASAP. To start with, I have a couple taking over the Restaurant for the Spring and Summer of 2018. Most of you know them, but as of now, they want to remain anonymous. T & D will not be back for those of you that didn't know that they left.

For those of you planning on coming to the After Sturgis Gathering this year, I have a motorcycle group, that will be bringing in 300 to 500 people. They are reserving 39 electric sites and 21 cabins. They are also bringing in **one headlining band** for Saturday night. There is definitely no problem if you want to attend, but you need to reserve ASAP for that weekend! **But remember**, I'm doing a Pre-Sturgis party the weekend before - August 2nd - 5th.

In other news, If you plan on coming to the **St Patty's Hotel Takeover**, we still have 2 king rooms available and about 15 rooms with 1 queen bed, about 10 rooms with 2 double beds.

The web site did say the prices go up on March 10th but that has been extended to March 15th. So book now and save \$10.00 on room rates.

Penny is over worked at her full time job. So, the news letters etc. will be sent to you from my most excellent Webmaster and Film Producer, Michael. Be sure to check out and comment on the upcoming Youtube Channel we have coming. The link will be posted on the front page of the website with new content.

Finally, I will be doing only 1 Fireworks show again this year, and that will be May 19th at about 10PM at the end of the **Veterans "Salute" Motorcycle Celebration**.

What a GREAT weekend to honor our Men & Women of the Military.

Prices for our Active Military & Veterans is only \$50.00 per person and that includes up to 3 nights of camping. All non-military people are \$69.00 per person for up to 3 nights of camping.

If you need other info, please contact me at campncn@centurytel.net or just call my cell at [715-299-7138](tel:715-299-7138)

I look forward to seeing all of you this season.

Thanks, Marv
